Answers to Quiz on *Risk* by Brock Eastman

1. D
2. B
3. A
4. A
5. Answers will vary but may include his friend who searched for eternal life and wouldn't listen when Brother Sam tried to tell him the Truth as well as the fact that he's missing a couple of fingers on his left hand.
6. Answers will vary but should include something about the Übel.
7. C
8. D
9. C
10. Answers to the second part of this question should include how being alone in the jungle with frightening creatures and the Übel made Austin realize that he was wrong for not being a team player with his siblings.
11. B
12. Answers will vary.
13. Faith could be described as believing in something (sometimes without the proof of seeing it), and examples could include crossing the invisible bridge, choosing to trust Brother Sam, and realizing that an unknown something is looking out for them.
14. Answers will vary.
15. Brother Sam said, "They knew from many examples in history that those who are unjust often receive a just end from those they have wronged. To maintain their control, the men believed they should rewrite history. If, by controlling the media, they could reflect a past that showed only peace, prosperity, and equality, the people would come to believe it as the only truth they'd ever known."
